

Equality and information objectives statement

Our equality objectives are:

- To promote spiritual, moral, social and cultural development through all appropriate curricular and extra-curricular opportunities. We aim to meet this objective with particular reference to issues of equality and diversity.
- To reduce prejudice and increase understanding of equality through direct teaching across the curriculum.
- To move beyond deterministic notions of fixed ability and to model teaching and learning behaviours that avoid labelling.
- To narrow the gap between boys' and girls' attainment in writing in the primary phase (Y1 – Y6).
- To promote cultural development and understanding through a rich range of experience, both in and beyond the school.
- To eradicate prejudice related bullying in relation to the protected characteristics listed in the Equality Act 2010.
- To tackle prejudice and promote understanding in relation to people with disabilities.
- To create and enforce a clear and rigorous expectation on all members of the school community to promote fundamental British Values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs.
