

Reception Class Questionnaire 2016-2017

We are very pleased with how the children have progressed this year. We are keen to know your views so that we can continue to improve our setting and practices. Please complete the questionnaire below and return it to a member of staff by the end of the school year.

What have you and your child enjoyed about the Alkington Reception year?

What do you think could be improved?

Thinking back to when your child started in Reception Class, please let us know what was helpful and what we could improve. (e.g. transition meetings, sessions, handbook)

We are constantly trying to improve communication through the newsletter, texts, parents' evenings, notice boards, homework tasks and workshops. Please tell us what works well for you and any ideas you might have to help you feel more involved.

Thank you very much for your feedback, it is greatly appreciated.

The Reception Class Team

	Strongly Agree	Agree	Disagree	Strongly Disagree	Comments
Do you feel your child has had a good year in Reception?					
Has your child enjoyed the learning experiences provided in Reception?					
Do you feel staff are approachable?					
Have you felt happy with your child's progress this year?					
Have you felt informed about your child's progress?					
Did you find the time to share book tasks worthwhile?					
Do you feel we support any additional needs your child may have?					
Did you find the parent workshops useful?					
Did you find the curriculum leaflets useful (e.g. Topic overviews, maths and phonics information leaflets)
