Rainbow Story Hub Comeback

We are pleased to tell you, the children at Roach Vale have warmly opened the fascinating Rainbow Story Hub and they have been using it since it was opened in March. The helpers have carefully followed instructions to keep the hub tidy and in good shape. It is used regularly by the children, it is a great source of education and encourages them to read more. The Story Hub is the best place to read quietly and relax. There are mountains of classic, funny and entertaining books for the children to read. In return they look after the outstanding Rainbow Story Hub.

Author Review

My favourite author is Rachel Billington. The reality in her books is outstandingly good. Her stories feel like they could be reality, not just fiction. While reading Poppy's Hero I felt so emotional and couldn't wait to read more. I love reading about Little Hero, a golden Labrador puppy, with a big heart for adventure. No matter what happens his heart stays pure and joyous. When you look at the front cover it touches your heart. I would recommend this book if your reading alone age 6+, but it also makes a great bedtime story or just a story for the day. You can really let your imagination run wild and free.

Rat Burger By David Walliams

This book is very funny. I would recommend this book to 6 years old +. The main characters are Bert (a burger seller), Sheila (a mean step mother), Dad (Zoe's farther), Zoe and Armitige (a baby rat). My favourite part is when Bert and Sheila get turned into burgers and the rats eat them!

See if you like it.

Book Review: The BFG

I would like to recommend this book for KS2. This book is about a little girl that meets a giant who is called the BFG; this stands for Big Friendly Giant. Together they go on a wonderful, mystical adventure. This book is written by Roald Dahl. It is terrific and it easily creates fun adventures in your mind as you read.
