

East Riding of Yorkshire mental and emotional health services for children and young people

Name of service

East Riding Children's Centres

Service provided

Providing early help for families with young children including:

- Child development and early learning sessions
- Activity to develop parenting aspirations and skills including family support and parent education
- Sessions to improve child health and well being

Applicable age group for service

Minus 9 months to aged 8

Who is the service for (ie threshold)

Services for families with young children with additional needs who require early intervention and prevention services and fall below the threshold of the safeguarding team or specialist services

Who can refer a child or young person?

Any school, partner or service can refer. Families can also self-refer.

How do you refer?

Directly using a request for service form or via EHASH.

Location of service

Please see over page

What happens after a referral is made?

The referrer will be contacted by the Children's Centre with a decision about how to proceed and if a Children's Centre service is to be offered to discuss how best to complete an early help (CAF) assessment

What happens if a child / young person is not accepted for treatment following a referral?

The referrer will be contacted and the reasons for this explained

Information re registered service and regulatory body (if applicable)
