

**East Riding of Yorkshire mental and emotional health services for
children and young people**

Name of service

East Yorkshire Children's Community Team Learning Disabilities

Service provided

The team provide assessment and intervention for children/young people with learning disabilities and associated significant emotional and behavioural needs.

The support may include direct work with the child/young person and/or work with parent/carers

Applicable age group for service

5-18years

Who is the service for (ie threshold)

The team only work with children with a Learning Disability who are registered with an East Riding GP

For children and young people with learning disabilities and associated significant emotional and behavioural needs, this may include:

- **Behaviours that are challenging to others**
- **Behaviours that cause harm to themselves**
- **Anxiety and/or low mood that significantly impacts daily functioning.**

They are a specialist service therefore will expect that universal and targeted services have been accessed

Who can refer a child or young person?

Any Professional involved with the young person

How do you refer?

By referral form which can be obtained from Vicky Hewick Administrative Assistant

No referral will be accepted without a consent form

Location of service

**HUB School and Specialist Services
Springhead Lane
Anlaby Common
Hull
HU5 5YJ**

Phone number TBC

What happens after a referral is made?

The referrals are discussed every week at the referral meeting and a decision is made if further

information is needed, a triage may then take place or it is placed on a waiting list

A letter is sent to Parents/Carers/GP/School Nurses and referrer to inform them of the outcome

What happens if a child / young person is not accepted for treatment following a referral?

A letter is sent to the referrer and advice given regarding where an alternative service may be most appropriate to meet the person's needs.

Information re registered service and regulatory body (if applicable)
