

Week 12

Friday 14th July 2017

This week: We had our last Relax Kids Session with Anne. It has been a wonderful experience and over the weeks we have seen the children become calmer and be able to relax quicker than at the start of the sessions. Please look in your book bag for a questionnaire from Anne to complete and return to school by Wednesday. The children also brought home a gift from Anne to remind them of their experiences and be able to use at home. Please see the flyer if you'd like further details or to look at Anne's Relax Kids website.

This week, we have been sorting fruits and vegetables according to which part we eat. Is it the root, stem, flower, seed, leaf or fruit? We have also been exploring which ones we can eat raw and which ones we need to cook. We were surprised to find that some we can eat raw and cooked!

We have learned how to cut, slice, grate and peel in order to make our own fruit and vegetable face! Please look out for your child's shopping list in their book bag today and bring in next Thursday 20th July, when we will make our own fruit and veg face!

Presentations— Wow!

The children have exceeded themselves over the last 2 weeks and all have been brilliant in delivering their presentations. We have had butterflies in our tummies before we have had our turn and immense feelings of pride, satisfaction and achievement, after we have finished.

A huge thank you to all of you for your support at home and I hope the butterflies in your tummies have settled down too! They all worked so hard, bravely delivered their presentations and knowledgeably answered the many questions from their peers.

It has been a very worthwhile experience for the children.

Shuffle Up Day took place yesterday, Thursday 13th July, and the children all met their new Year 2 teacher, Miss Saul. They visited their new classroom and got to ask questions and let Miss Saul know

Please look out for your child's report which was sent home at the end of today.

There is a parent and pupil comment slip which we would be grateful if you could return by Wednesday, next week.

End of Year Arrangements
