

St Peter's C of E Academy
Supplement to DBAT Charging and Remissions Policy

Payment of School Dinners

School dinners must be paid for in advance. The school understands that on occasions, parents forget to send in dinner money or children forget to hand it in. If no payment is made, a reminder letter will be sent home, stating how much is owed. This debt should be cleared before the next meal is taken. If a parent is experiencing circumstances which make paying their debt difficult, they must contact the office in person or by phone on 01249 653537.

If a debt exceeds £8.00, the parent will receive a telephone call to ask them to provide a packed lunch for their child until the debt is cleared; the kitchen will not provide a hot meal for their child until the debt has been cleared.
