

## Music

'Glockenspiel'  
'I Wanna Play in a Band'

## French

## Literacy

In Literacy, we will be performing and writing poetry. We will continue to work on our description of settings and characters and we will use Cineliteracy to help us improve our writing. We will be writing our own play scripts. We will take inspiration from 'The Rainbow Bear' and the 'Tinga Tinga Tales' as well as other stories.

## Geography

This term our topic is Climate Zones. We will be learning how to use compasses, maps and atlases. We are going to learn about the different climates around the world. We will also take a look at different types of Energy.

## PE

In PE we will be practising our ball skills outside. Indoors we will be practising dancing. During the first half term we will be having weekly swimming lessons.

## Art and D&T

We will be learning about the artist Claude Monet and take inspiration from his work. He was interested in changes in light and seasons.

## Computing

. We will continue to code using Scratch. We will also work on our typing and research skills.

## Maths

These are the areas of Maths we will be learning about:

Number, place value & rounding

Addition and subtraction

Multiplication and division

Fractions

Measures

Geometry: properties of shapes

Data

## Science

In Science we will be learning about Magnets and Forces and Light. We will continue learning about how to set up a fair test. We are investigating how things move on different surfaces and we will observe how magnets attract and repel each other.

We will investigate how light is reflected from different surfaces.

We will also be looking at shadows and how their size and shape changes.
