

**ST JOHN THE EVANGELIST CE PRIMARY SCHOOL
SPORTS FUNDING PLAN 2017-2018**

Background to the Primary PE and Sports Premium

PE & Sport Premium is funding provided to primary schools, in addition to main school funding. This funding is ring-fenced and therefore, can only be spent on the provision of PE and sport in schools.

Objectives for PE and Sport Premium

- To improve the provision of PE at St John the Evangelist CE Primary School; ensuring all pupils get two hours of quality PE teaching per week
- Broaden the sporting opportunities available to pupils outside of the school day
- To develop an enthusiasm for sport by children and staff

Decisions on how to spend the premium and ensuring improvements are sustainable

In September 2015 the decision was taken by senior leaders and the governing body to appoint a professional Sports Coach as a permanent full time PE teacher (unqualified). This has had a significant impact on raising the profile of PE & Sport, on improving provision and in raising pupil participation in sporting activities. Whilst the Premium only partially covers the salary commitment, as a school we believe the benefits fully justify continuing to use the funding in this way. This spending will be in addition to other sport related expenditure, for example buying into the services of an Extended Services Sports Programme with our local primary schools and providing extended swimming provision for pupils over and above the requirements in the National Curriculum. Our PE teacher delivers the majority of PE lessons across the school, as well as organising sporting activities at lunchtimes and delivering after-school sports clubs, festivals and competitions.

Spending on PE & Sport over 2016-17 and into the future, will be far in excess of our Premium funding, demonstrating the commitment of senior leaders and governors to the importance of continued and sustained improvement in the quality of PE and sporting opportunities offered to pupils at our school.
