

## Our Vision, Values and Aims

### Vision Statement

At Cosby Primary School we are a team where everyone is  
**“Working Together for Excellence.”**

### Values

Our core values are:

***Respect, Friendship, Trust, Honesty, Confidence and Determination.***

We believe in:

- *Promoting values for life in our children, providing a place where every child is valued and learns to value, trust and respect themselves and those around them.*
- *Providing our children and staff with a caring, friendly learning environment where children are motivated to learn and have the confidence and determination to succeed.*
- *Leading by example through nurturing trust and honesty.*
- *Establishing a team built of children, parents, staff, governors and the wider community, where we all work together for excellence.*

### School Aims

Cosby Primary School aims to enable each child to:

- *Be someone who loves to learn and aspires to fulfil their true potential.*
- *Be a confident, creative and independent learner with the skills to succeed in the future.*
- *Be a resourceful, resilient risk-taker who makes the most of every learning opportunity.*

- *Take pride in themselves and their achievements and show respect for others and the environment.*
- *Cooperate, collaborate and communicate effectively.*
- *Be happy, healthy and active members of the school and wider community.*

## **How will we achieve this?**

*We will achieve the above aims and vision statement through:*

- *Striving for a high quality of teaching and learning through which children of all abilities can achieve their full potential.*
- *Providing a happy, secure environment where children are valued equally and value one another and where they can develop their self-esteem and self-discipline.*
- *Offering a stimulating, broad and balanced curriculum based upon high expectations and standards, particularly in Literacy and Numeracy and which promotes learning through encouragement and praise.*
- *Encouraging parents to take an active role in supporting their child's learning through regular communication, welcoming volunteers in school and providing opportunities to find out more about the school.*
- *Developing positive links between home and school, governors, and the wider community in order to support the children's learning.*
- *Enabling and encouraging the whole staff and Governors to work together as a team, sharing expertise and valuing one another's strengths.*
- *Continuing the rigorous process of self-monitoring and evaluation, identifying where improvements need to be made and drawing up appropriate plans to bring them about.*
