

Mr Newsham Year 4/5 Teacher

My Family

My family are extremely special to me. I have two fantastic children at home, Gabriella who is five and Blake who is three. Gabriella loves Disney princesses, she has collected all of the dolls and her favourite thing to do is dress up like her favourite Disney princess Aurora. Blake is obsessed with dinosaurs and has collected all different types; his favourite though is the Tyrannosaurus rex. I sometimes feel that my house is more like Jurassic park than my home!

I have been with my beautiful wife Donna for ten years. We have been married for two years and tied the knot in New York. New York is an amazing city and visiting the landmarks including the Statue of Liberty and the Empire State Building are memories I will never forget.
