A little bit about me...

I am married with two fantastic children, Adam and Sarah. Adam is working at the main post office in Sheffield. Sarah works for The Hesley Group as a care assistant.

We have a humungous English bullmastiff dog called Akira. We also have an African grey parrot called Frankie. We have lots of fish in our back garden in a three foot deep pond made by my husband and father in law.

Fun Facts

I like going to Keswick with my husband to do long walks and climb mountains.

I love salt and vinegar Pringles!

I love chocolate!

I don't like touching squidgy toys.

Hobbies

I love to do lots of knitting, from blankets, cardigans, jumpers and toys. I like to watch films and go out for meals with my family at the weekend.
