

Tornado Class Term 1

Maths

This term we will be looking at different ways of adding and subtracting, including using number squares and using the column method. We will recap 2, 5 and 10 X tables and begin to consider their related division facts.

We will also be telling the time to half and quarter of an hour.

Evacuees

Literacy

In Literacy this term we will look at both fiction and non-fiction texts and their key features.

We will think about the structure or writing and how to make it more interesting by adding adverbs and adjectives.

We will begin to look at different types of punctuation, including commas and inverted commas.

In phonics our focus will be adding suffixes to words.

Science

Animals including humans. What living things need to survive. Life cycles.

RE

In RE this year we will be focussing on different religions and their celebrations.

D&T

To make a winding mechanism.
Winding World War 2 planes.

Music

Learning 'Hands, Feet and Heart' song. Considering voice, percussion and performance.

Topic

Evacuees.

Locating countries within the United Kingdom and Europe on a map.

Learning about evacuees and World War 2.

Comparing children's lives in the 1920s and 1930s to the present day.
