

Mrs King
L.S.A

All about me...

Mr King and I have six children- Ryan, Liam, Arran, Kiera, Laila and Saffia. We enjoy spending time with all of them but it is a rare occasion that we are actually all together as we are all busy people. We like to watch movies, sing and dance around the house or we are sometimes a bit silly and we make each other laugh. The silliest person in our house is Mr King as he often plays jokes or winds up one of us!

We have a malamute dog called Midnight who we all love very much. She is similar to a husky but a lot bigger and she loves to be pampered and spoiled with walks, fuss and treats.

Fun Facts...

I used to be a dancer and performed in many shows when I was younger.

I have a degree in Social Science.

I like anything to do with food and I am always hungry.

I love shoes and Mr King says that I have too many- I disagree.

My hobbies...

I enjoy reading psychology and ancient history books as I like to find out lots of things about people.

I sometimes make jewellery using beads but I don't have the time to do this as much as I used to.

I also like to play the Xbox but I have to do the housework first!
