Monday 4 September 2017

Dear parent/carer

On behalf of the staff and governors, I would like to wish you a very warm welcome to Victoria Church of England Infant and Nursery School. Whether you are returning to us or joining for the first time, I hope this will be a very positive year for you and – most importantly – your children.

I am very excited to have joined the Victoria team at the beginning of this new chapter in its history and I am sure that our strengthened relationship with our partner junior school, Thomas Coram, will only enrich the learning experiences we offer your children.

It was lovely to see them arriving at school this morning, looking smart, happy to be here and ready to learn. I talked to them all in our first whole school assembly about new beginnings and reminded them of the opportunities these present us with: to do our best, try our hardest and be the best we can possibly be. I have high hopes for the year ahead and know that all the staff here will be supporting and encouraging your children throughout the year.

As a Church of England school, our Christian values-based approach continues to underpin everything we do and the value we will be focusing on this half term is 'Generosity'. Please encourage your children to talk about values at home and to try to embody the current focus value.

I hope that you will be able to attend our 'Meet the teacher' evening on Wednesday 13 September from 7-8.15pm. This will be a chance for you to see your child's new classroom and get some information about the curriculum, timetable and other practical matters. I look forward to seeing you then and to building relationships with you over the coming months.

Yours sincerely

Caroline Crozier
Head of School
