'Investors in Pupils' Assessment

Cottesbrooke Infant and Nursery School,

Dear Mr. Loughlin,

Thank you for inviting me to assess 'Investors in Pupils' at your school on 20th July. I can now confirm that the assessment report has been quality assured by the West Yorkshire Investors in Pupils Partnership. I am therefore pleased to inform you that Cottesbrooke has successfully achieved the 'Investors in Pupils' accreditation.

The decision was based on information and evidence from a variety of sources, including the school's self-assessment form, planning documentation, secondary sources, pre-assessment telephone interview and a full timetable of interviews. Interviews took place with a range of stakeholders involved in daily school life including; senior leadership team; governors; parents; teachers; non-teaching staff; pupils from each year group; pupils with positions of responsibility.

The school has an abundance of talented, creative and enthusiastic pupils. As part of its continued approach to pupil support and development the school should seriously consider how pupils could take a lead in future development by making their individual and class targets 'SMART' now, thinking about the ways in which we all need support sometimes due to our own uniqueness and improving their understanding of the financial elements of daily school life.

I would like to thank all the pupils and staff of Cottesbrooke for a very enjoyable visit and for the opportunity and privilege to witness such a positive school community in action.

I wish the school every success in the future.

Yours sincerely,

Helen Grundy
