Matched Funding If you work for an organisation that has a match funding policy, any money you raise could be matched by your employer. Companies may match the fundraising total for an event, or for the stall that their employee is working on. Usually, the employee will need to supply them with a letter from the PTA detailing the date and nature of the event, together with the total raised. If you are able to help us this way, please let us know and we can discuss your companies' requirements.
