

Introduction to Letters and Sounds Phase 2

In Phase 2, letters and their sounds are introduced one at a time. A set of letters is taught each week, in the following sequence:

Set 1: s, a, t, p

Set 2: i, n, m, d

Set 3: g, o, c, k

Set 4: ck, e, u, r

Set 5: h, b, f, ff, l, ll, ss

As soon as each set of letters is introduced, children will be encouraged to use their knowledge of the letter sounds to blend and sound out words. For example, they will learn to blend the sounds s-a-t to make the word sat. They will also start learning to segment words. For example, they might be asked to find the letter sounds that make the word tap from a small selection of magnetic letters.

Introduction to Letters and Sounds Phase 3

By the time they reach Phase 3, children will already be able to blend and segment words containing the 19 letters taught in Phase 2.

Over the twelve weeks which Phase 3 is expected to last, twenty-five new graphemes are introduced (one at a time).

Set 6: j, v, w, x

Set 7: y, z, zz, qu

Consonant digraphs: ch, sh, th, ng

Vowel digraphs: ai, ee, igh, oa, oo, ar, or, ur, ow, oi, ear, air, ure, er

During Phase 3, children will also learn the letter names using an alphabet song, although they will continue to use the sounds when decoding words.

Tricky words

During Phase 3, the following tricky words (which can't yet be decoded) are introduced:

he she we me be was

you they all are my her

Introduction to Letters and Sounds Phase 4

When children start Phase Four of the Letters and Sounds phonics programme, they will know a grapheme for each of the 42 phonemes. They will be able to blend phonemes to read CVC (consonant-vowel-consonant) words and segment in order to spell them.

Children will also have begun reading straightforward two-syllable words and simple captions, as well as reading and spelling some tricky words.

In Phase 4, no new graphemes are introduced. The main aim of this phase is to consolidate the children's knowledge and to help them learn to read and spell words which have adjacent consonants, such as trap, string and milk.

Tricky words

During Phase 4, the following tricky words (which can't yet be decoded) are introduced:

said	have	like	so	do	some	come
were	there	little	one	when	out	what

Introduction to Letters and Sounds Phase 5

Children entering Phase Five will already be able to read and spell words with adjacent consonants, such as trap, string and flask. They will also be able to read and spell some polysyllabic words.

In Phase Five, children will learn more graphemes and phonemes. For example, they already know ai as in rain, but now they will be introduced to ay as in day and a-e as in make.

Alternative pronunciations for graphemes will also be introduced, e.g. ea in tea, head and break.

With practice, speed at recognising and blending graphemes will improve. Word and spelling knowledge will be worked on extensively.

Tricky words

During Phase 5, the following tricky words (which can't yet be decoded) are introduced:

oh	their	people	Mr	Mrs
looked	called	asked	could
