Managing Behaviour Programme

Positive Behaviour

- If a child behaves appropriately they will be praised for their behaviour and awarded a 'Dojo' point.
- If a child continues with exceptional behaviour they will be awarded with further 'Dojo' points in order to gain class rewards.
- If a child accumulates 100 Dojo points by the end of the first half term, they will be rewarded by attending the 'Dojo Dash Day'. Further Dojo targets will be set throughout the year and children will be rewarded for achieving these.
- Children who show outstanding behaviour may be chosen for 'Star of the Week'.

Unacceptable Behaviour

- School rules will be reaffirmed frequently by all staff. Our school rules are displayed throughout school.
- In Foundation Stage and St Matthew's class time will be deducted from the next playtime if the children are displaying inappropriate behaviour.
- If a child behaves inappropriately they will be reminded of their behaviour and given a warning.
- If the child continues with the unacceptable behaviour 'Dojo' points will be deducted. The amount of 'Dojo' points depends on the type of inappropriate behaviour. (See appendix)
- If the child continues to behave inappropriately they will be sent to 'cool off' in the 'Time Out' zone in the classroom and additional 'Dojo' points deducted. (Timer to be used)
- Children who continue with unacceptable behaviour will be sent to Mrs Gac or Miss Hutchinson's class. At least three 'Dojo' points will be deducted. Work to be sent with the children. Children will return to their classroom after one period. They will miss the next playtime or fifteen minutes during lunchtime. (Parents/carers will be informed)
- Children who continue with unacceptable behaviour will be removed from class and complete their work in the head teacher's office.

- Children who display certain inappropriate behaviour, for example, fighting will be placed on 'report'. Children will be issued with a report card and their behaviour will be monitored for a period of time. Parents/carers will be asked to come into school to discuss their child's behaviour. Whilst on 'report' the child will miss all their playtimes. They will not be allowed to attend any after school clubs, represent school in any way or go on any educational visits or residential trips.
- The child will stay on 'report' until a member of the senior management team is confident that the child's behaviour has changed.

(Where disputes arise the school will adopt a restorative approach. Four staff have been trained in Team Teach and acknowledge that de-escalation of a difficult situation is 95% of the solution. In rare cases children will be positively handled to avoid them hurting themselves, another pupil or a member of staff. The school adheres to the DFE guidance on 'Use of Reasonable Force'.

(If a child displays behaviour that puts themselves or others in danger then these steps will not be followed. The child will automatically be placed on a monitoring programme or a 'fixed term' exclusion imposed)

(All incidents must be entered into CPOMS by the class teacher/ senior midday supervisor)
