

Mrs Embery

Deputy Inclusion Manager

My Family

I am married with two wonderful children, Connor and Harriet.

Connor is studying at university and loves skateboarding and surfing!

Harriet keeps me very, very busy! She is always singing, dancing, acting or playing football. She is so active and loves to be on stage. She is at singing and dancing competitions every school holidays.

I have a two rabbits; Toffee and Smudge. I also have three Chickens; Mabel, Hilary and Fleur, that we saw hatch at school!

Fun Facts

I make up silly songs and sing them around the house (my family laugh at me!)

I eat cake every day! (Also lots of fruit and vegetables)

I love sweets!

The sound of brushes goes through me; I have to play music when I brush my teeth!

My Hobbies

Family time is the most precious to me, spending time together.

As a family we love to play board games.

I love to watch my silly chickens run around my garden! I also enjoy musicals and try to watch shows as often as I can.

To relax, I read, my house is always full of books.
