

Willow Class Prayer Endurance

Dear God,

Help us to believe in ourselves, especially when
we find things difficult.

Give us the strength to keep going and never
give up.

Give us courage to ask for help from teachers,
family and friends when we need support.

Let us encourage others to keep going and help
them through their tough times.

Thank you God, for always giving us the
strength to carry on when things seem hard.

.Help us to persevere and be determined to
reach our goals, so we may enjoy the rewards
of our endeavours.

Thank you for the gift of endurance.

Amen
