

Pupil Premium Funding at Dorrington CE Primary School

Reporting to Parents

Principles

- We ensure that teaching and learning opportunities meet the needs of all of the pupils.
- We ensure that appropriate provision is made for pupils who belong to vulnerable groups, this includes ensuring that they are appropriately assessed and appropriate provision provided.
- In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.
- As a school we also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. The Governors and staff reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has accurately identified as being socially disadvantaged.
- Pupil premium funding will be allocated following pupil progress meetings and regular analysis of the schools' rigorous tracking system.
