We changed the format last year to mirror the Ofsted parent view questionnaire; we also invited parents to share their views on the Ofsted parent view site. Most of the questions equate to previous years so comparisons can be drawn. We also did the survey online and from Parent Contact e-mail. We had 75 returns in total, reflecting two fifth (circ 45%) of our pupils. The percentages in red relate to the previous year when 111 (68%) parents responded.
