Facebook or Twitter?

Dear Parents/Carer

We are always looking for ways in which we can keep you informed about all the amazing things that your child is doing at our school and we believe social media can help us to achieve this.

We hope to share photos of activities that have taken place and celebrate our children's achievement over the year.

We also hope to use it to share messages and inform you of any future events.

Therefore, we are asking all our parents which form of social media would be most useful to them.

Please could you complete the voting slip below and we will take the majority as the favoured choice and then launch either our new Facebook page or Twitter account.

Many thanks for your continued support.

Yours sincerely

Mr R Orr
Headteacher
