12th September 2017

Dear Parent / Carer

Sherwood Forest Environmental Education Centre Visit

On Thursday 19th October 2017 the Year 4 children will be visiting Sherwood Forest Environmental Education Centre as part of their autumn term topic, 'Fierce Earth'. The purpose of the visit is for the children to develop team-building skills and to develop their confidence as they participate in shelter building and orienteering activities.

We will be leaving school at approximately 9.00 a.m. and will be returning for 3.30 p.m. The children will need to bring a packed lunch and plenty to drink. They may also like to have a small snack to put in a pocket to be eaten half way through the morning.

The children will need to wear long trousers, long sleeved tops and outdoor shoes (wellies, trainers or walking type boots). We would appreciate it if they don't wear jeans as they take a long time to dry if they get wet. The children will be making dens so it is important that they bring a pair of gloves. They will also need to bring a waterproof coat. A small backpack would be useful for carrying these items.

In order that this visit can take place we will need to ask for a voluntary contribution of £8.50, this can be paid online via ParentPay. It must be understood that if parents decided not to support this visit, there would be no other way of funding it and unfortunately we would have to cancel the visit.

Finally, we would like to take a number of parent helpers with us so if you would be interested in helping with the visit, please add a message to the 'notes' field on ParentPay. We are looking forward to an exciting day. Thank you for your support.

Yours sincerely

Miss B Mitchell and Miss F Lee

Y4 Class Teachers

At Larkfields, we take care of...
