

Physical Education and Sport Premium 2016-17

The Government provides additional funding each year to improve the provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is allocated directly to primary school Headteachers. The funding is ring-fenced and therefore can only be spent on the provision of PE and sport in schools.

Oakworth Primary School received £9780 altogether for the academic year 2016-17.

Purpose of funding

Schools must spend the additional funding on improving their provision of PE and sport, but they have the freedom to choose how they do this.

| How Oakworth Primary used the funding | Impact |
|--|--|
| <p>A Forest Schools' Provider was employed to work alongside teaching and support staff. Children benefited from blocks of half-day sessions, linked to their thematic learning in the classroom. This provision secured coverage of the Outdoor and Adventurous Activity element of the PE curriculum and introduced Forest Schools' sessions into school for the first time</p> <p>(£5510 for our Forest Schools' Provider)</p> | <p>All children from Reception to Year 6 have completed blocks of Forest Schools' sessions. This has led to enhanced learning in the OAA area of the curriculum and has expanded children's learning around classroom topics. Staff participation has also increased their skills and confidence in facilitating outdoor learning.</p> |
| <p>Our PE Leader had time each week to track attendance at after-school clubs and events and to facilitate sports opportunities for all.</p> <p>Clubs such as dodgeball, cheerleading, table tennis and cycling have been facilitated to tempt more pupils to attend. Local sports' coaches/companies have provided expert coaching.</p> <p>Friendly fixtures have been organised for pupils who have not been selected for school teams.</p> <p>A range of out of school hours' clubs have been offered to children of all ages, from Reception to Year 6.</p> <p>(£4822.34 for our PE Leader)</p> | <p>The PE Leader maintains a record of take-up of extra-curricular clubs and encourages all pupils to attend at least one a year.</p> <p>More pupils attended before/after school sports clubs in 2016-17 than in previous years.</p> |

| | |
|---|---|
| <p>An instructor has run an extra before-school 'Fun and Fitness' club, aimed at supporting and engaging pupils identified as least active.</p> <p>(£771.15 for our Fitness Instructor)</p> | <p>Previously inactive pupils have taken part in and have enjoyed regular exercise; improving their fitness, motivation and self-esteem.</p> |
| <p>Not only have we purchased PE equipment for the structured lesson time, money has also been used to continue to provide better resources for children to be active during lunchtime.</p> <p>(£995.90 for PE/Playground equipment)</p> | <p>Pupils have access to good quality resources for PE lessons' ensuring full curriculum coverage and increasing activity levels.</p> <p>At lunchtime, pupils are actively engaged in physical activities; improving both their health and fitness.</p> |
| <p>The school has always been involved in the many competitions within the area, including cross-country, swimming, football, tag rugby, netball and rounders. We run many sports clubs in school, which allow for a competitive element and development of skills as well as encouraging an active lifestyle. We also keep abreast of national and international events and develop opportunities for children to be involved with them in their own way, such as the World Cup and the Olympic Games.</p> <p>(£23.17 for staff expenses)</p> | <p>The school has been particularly successful in cricket during 2016-17, where our team became Yorkshire regional champions.</p> <p>We also enjoyed great success in football, rounders, rugby and cross country running events, where several pupils were highly placed in cluster events and some have joined other clubs in the area to pursue running.</p> |

Accountability

Schools are required to include details of their provision of PE and sport on their website, alongside details of their broader curriculum, so that parents can compare sports provision between schools, both within and beyond the school day.

From September 2013, schools have been held to account over how they spend their additional, ring-fenced funding. Ofsted have strengthened the coverage of PE and sport within the 'Inspectors' handbook', so that both schools and inspectors know how sport and PE will be assessed as part of the school's overall provision. Ofsted will also carry out a survey reporting on the expenditure of this additional funding and its impact.

2017-18

During the academic year 2017-18, the school proposes to use the PE Premium to:

- Continue to facilitate Forest Schools' learning for children and training for staff.
- Replenish lunchtime play equipment and employ a Play Leader for three lunchtimes per week, to improve activity levels.
- Continue our weekly Fitness Club and provide a Netball Club for older children.
