The school is lead and managed effectively	81 100%	0 0%
Overall , I am happy with my child's experience at this school	81 100%	0 0%

## **Thank you so much for your positive responses and feedback. The responses included-**

- Keep up the fabulous teaching and great work!
- My children love it here and I haven't got any issues with anything-things are dealt with exactly as I'd expect.
- I've never had a problem with anything at Our Lady's with any of my children or grandchildren.
- Our Lady's is still a great school, which has really supported the growth and development of my children.
- My children are happy, engaged and inspired by the teaching which is delivered to them.
- Our Lady's is a credit to the Diocese!
- My child has really progressed this year, not just academically – his confidence is growing week by week!
- I am very pleased with the school and always have been. I love seeing my children progress and flourish and they enjoy the relationships they build with staff, making it more pleasurable and then they are willing to learn. Well done to all of you for making this possible!
- The introduction of Dojo is really useful –it allows me to keep up to date with daily behaviour and to ask questions.
- I really like the colour coded reports which show the level my child is at.
- My children love coming to school and always talk about how kind and nice the teachers are, when reflecting on what they have learnt in class. I have found that they are educated in a caring, nurturing environment, which has enabled them to grow in confidence and develop an "I CAN" attitude towards learning. I love the Catholic spirit in Our Lady's Catholic Primary- which is filtered down to every child, making learning and growing in Faith, a wonderful and stimulating experience. Thank you very much.
- I have tried very hard to find a negative point about Our Lady's, so the fact that I am unable to shows what great staff and organisation you ALL have. Thanks to you all.
- Thank you so much for helping my child to go through his first and most difficult and important time of the year. God bless you all.
- My child has enjoyed every minute at Our Lady's and I can't believe she is leaving. This school will always have a special place in our hearts. Thanks for everything!
- I am really happy with the progress my child has made in school – the teachers have all been dedicated and helped her at all times. I could not wish for a better school for my children to attend. The school, Mrs Flaherty and the teachers are a credit. I feel also that since I myself became ill, I have received a lot of support. Thank you!

- Our Lady's Nursery is an absolutely wonderful place for children to start their Early Years. I am pleased with all the progress my child has made this year- she has really blossomed!
- The Nursery staff are always very attentive, informative and very caring. They make time to talk to each child and also have time to build up a good rapport with parents. I am also looking forward to my child starting in Reception for the next stage of her education.

### **Further suggestions/help needed were as follows:-**

- I would like to be informed about my child getting a certificate at Praise assembly beforehand, rather than on the newsletter the week after.
- My child's progress is heading in a more positive direction. However, I would like to see more Maths and English homework.
- I would like to see the introduction of Parent Pay.
- In my opinion punishments are not distributed fairly.
- I would like to see an after school club, which would help lots of parents and children in school. Lots of other schools have before and after school care.
- I would like help with starting to look at High schools and how to apply etc...

**We have taken note your feedback. Some of these comments have been addressed already and others will be done so as the year progresses.**

Thank you once again for taking the time to complete the questionnaire and for the very positive comments.

**Mrs S Flaherty**
