

Hello! My name is Miss Majevalia and I am currently embarking my third year of teaching and being apart of the Elm Park Primary School team. I worked in year five for two years and now start my first year teaching in year one.

As a child, I always loved primary school and the opportunities it presented me. From this I always knew teaching was the career for me and therefore trained at Middlesex university for three years.

When not teaching, I enjoy the little things in life: a duvet day, hot chocolate and biscuits.

If you need to contact me my email address is hmajevalia@elparkprimary.co.uk.
