"Where A Love of Learning Grows"

15th September 2017

Dear Parents

School Volunteers

We are always on the look out for parent volunteers to support our children with extra reading or spelling practice each week. We are particularly keen to have volunteers hear our children read this year. We also appreciate support for laminating resources, making games and for cutting, labelling and framing the children's work etc. Last year we had a mini working party in on a morning which was a tremendous help. Support with serving refreshments when new parent meetings occur or community members visits school etc to continue our strong relationships with parents and the community is also very welcome. If you would like to help in this way or in school and further support our children, could you please complete the return slip below. Please tick where you can help and add any expertise/interests that you may have in any area so that we can share your strengths.

Upton Snodsbury C of E First School is committed to safeguarding and promoting the welfare of all children and all volunteers will be subject to a DBS check.

Yours sincerely

Mrs Lorraine A Barber
