Little Scarlet Class Enjoy First Week in School

All our new children have enjoyed their first week at Tiptree Heath exploring the classroom and outdoor learning environment. When I popped over to see them all they were having a super time engaging in all the different activities and getting to know each other. They were very keen to show me their new school shoes and school uniform!!

As well as Carolyn Bownes as the Learning Support Assistant, the children are also working with Allison Fox and Emma Clarke who have been appointed as Learning Support Assistants to support individual children within the class. Thank you to all the parents who met with Rebecca Long and Carolyn Bownes during the scheduled home visits last week.

On Monday all the children will be coming into school full-time so they will need early nights this weekend!

Our New Little Scarlet Class!

Have a good weekend !
Tracey Oram

On-line Safety Information

This week I attended further Safeguarding Training as the Designated Lead for Safeguarding in school. During the training a website was recommended to me for parents to access information about how to keep your child safe on-line. The website has been produced collaboratively by O2 and the NSPCC.

www.net-aware.org.uk

The website provides parents with advice and tips, parental controls, popular social networks, sites, games and apps are also reviewed. Parents may also sign up for regular updates. I am sure that parents will find this a useful website.
