

Furzebank Worship Centre

Rosedale School, Stroud Avenue, WY12 4EG

Furzebank Worship Centre is a Church of England church in the Parish of Short Heath, working with Holy Trinity. Our building is situated on the side of Rosedale Infant School. Our main services are normally held in the school hall.

We welcome everyone, offering all-age worship at 11am each Sunday. The service is modern in style and easy for visitors to follow. In term time, we offer

different activities for children and young people during the service. Once a month, on a Wednesday, we hold Messy Church after school. This is a fun way for families to be 'church' and join together in a variety of activities.

We are an active church, with study and prayer groups plus social events. We take praise and worship into nursing and care homes in

the local area and have a pastoral team able to take out the church's ministry and support to people. We are also here to carry out the traditional role of the church in the community, such as baptisms and weddings.

The Parish is formally linked with Emmanuel, Bentley, enabling the three churches to work closely together.
