

English

Book: Wonder by R.J. Palacio—

We will be focusing on developing a strong understanding of writing skills for a variety of audiences. We will develop our knowledge and understanding of both fiction and non-fiction writing with themes across our curriculum. We will be looking at different word classes and punctuation.

Science

Could Spiderman really exist?

We will be learning about living things and their habitats, followed by exploring our bodies.

PSHCE/SRE

We are looking at 'New Beginnings' and looking at the differences and similarities between people.

Maths

We will be learning about: times tables, real-life problems, investigations, ordering and place value (with numbers up to 10 million), written methods (addition, subtraction, division and multiplication) and fractions.

PE

We will be having our PE lessons on a Friday afternoon—tag rugby followed by other games and gymnastics.

Music

Does this strike a chord with you? We will be looking at pitch, rhythm, singing and composition.

Autumn

Term

Year 6

RE

Why do people have ceremonies and use rituals in their lives? What do the gospels tell us about the birth of Jesus?

Computing

We will be software developers, using scratch to program algorithms to design our own games.

History

We will be looking at different historical facts linked to all subjects—science (famous scientists), art (famous artists) etc.

Geography

I'm a Year 6 pupil, can you get me out of here?

We will be learning about our local area, together with various mapping skills.

Homework/Spelling

Homework and spellings are given out on a Tuesday, to be handed in the following Monday.

Art

Can you spray that again please?

Exploring spray painting

DT

Will our model theatre be ready for opening night?

We will be designing and constructing moving parts in a model theatre.

Reading books

Reading books should be read each day and can be changed in school when required.
