

Elm Class Prayer Thankfulness

Dear God,

We would like to thank you for some of the people who help us,
teach us and look after us.

Thank you to you, God, for making the wonderful world that we
live in.

Thank you to our mums and dads for looking after us and keeping
us safe.

Thank you to our teachers for helping us learn new things
everyday.

Thank you for our friends who play with us and make us smile
when we are sad.

We love that all these [people help us grow and we thank them for
all their help.

Amen
