18 September 2017

Dear Parents/Carers

Our Facebook page has been up and running now for 9 months and we have been overjoyed at the positive responses and feedback we have received. As our group continues to grow, our posts are now being seen by hundreds of people and this is down to you sharing, liking and commenting and for this we have to say a huge THANK YOU!

As you know, we currently do not post any photographs. At the time, this was the correct thing to do until we had a good grasp of our Facebook group and how we would manage the content. In light of our success, we have decided to gauge your thoughts on using photographs. For those of you who have previously given permission for photographs to be used either on the website or publications, we feel this would be a comparable request. Your children at Elkesley Primary School have much to be proud of in their learning and we would like to share their successes.

Please note, that our Facebook page is not a closed group and therefore can be seen by anyone who searches for the school, the same can be said for the school website.

With this in mind, please complete the slip to enable us to come to a decision regarding the use of children's photographs.

Thank you again for your continued support. Please return reply slip by Friday 22 September 2017.

Yours sincerely

Mrs K Griffiths

Foundation Stage Leader
