Hollybush News

Date -15th September 2017

A few words from Mrs Robertson

Have your children told you about the green Hollybush Points they are getting in their classrooms? Hollybush School has a new system designed to promote and celebrate positive behaviour. When children are seen to be making a good choice or demonstrating the behaviours or attitudes that we want and expect at Hollybush School, they can be awarded green Hollybush points. In the first full week of school the children from years 1 - 6 have generated **an amazing 5632 points** between them!!! Every week a star pupil from each class - who has worked hard on making the right choices - will have some celebration time with me or Mrs Haddon. I am looking forward to finding out who our role models have been this week.

We want every child at Hollybush to get the best out of each school day. Help your child have a positive start with green Hollybush points for having full uniform - including pumps - and for being on time and ready to learn for 8.55a.m.

More information will follow soon about the new Hollybush code and the work we are doing on aspiration and values throughout school.

Global Assemblies

- Y4 -Friday 6th October - Black History Month
- Y5 -Friday 10th November - Armistice Day
- Y6 - Friday 26th January - World Holocaust Day
- Y3 - Friday 16th March - World Water Day
- Y1 - Friday 27th April - Earth Day
- Y2 Friday 22nd June - Refugee Week

Over the last few years at Hollybush each year group has learnt about a religious festival and shared their learning during a festival assembly. This year each year group will learn about an event that has global significance. As always parents will be invited to come and share the assembly and find out about what their children have learnt.

Coffee Morning

Save the date

On Friday 29th September, we will be holding an opening morning in conjunction with a Macmillan Coffee Morning. During the morning, we will be inviting you, the parents and carers, to join the leadership team, governors and learning mentors for coffee and cake in the hall. During the morning, there will be a tour of the new building and you will have an opportunity to join in a 20 minute English or Maths lesson in your child's class from Years 1-6.

Next week your child will bring home a letter about the event with a slip to return if you want to take part in learning in your child's class.
