Dear Parents/Carers

## **Flexible Provision**

Following a recent review of our Charging Policy and with the agreement of our school governors with effect from September 2013 the additional hours taken over and above the funded 15 hours will increase.

Any additional hours will be charged at £3.00 per hour. Examples of scenarios are listed in the table below.

<b><u>Weekly Provision</u></b>	<b><u>Cost of additional hours above 15 funded hours</u></b>
Extra session when child takes their 15 funded hours over 5 mornings or 5 afternoons	£10.50
2 and a half days	£ 3.00
3 full days	£13.50
4 full days	£33.00
3 sessions and 1 full day	£ 1.50

Children who wish to stay for a lunch after their morning session are charged £3.00 plus the £2.30 cost of a school meal.

Non- payment of invoices will result in your child being unable to attend sessions above their 15 funded hours.

Yours sincerely

Mrs Marlene Miller
