

## St Anne's School and Sixth Form College

### Pupil Premium Statement

This policy was adopted in the Summer term 2013 and updated Autumn 2017

#### 1. INTRODUCTION

The Government believes that the Pupil Premium Grant (PPG), which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and Children Looked After (CLA) and their peers.

The Pupil Premium Grant is paid to schools by Local Authorities. The funding is calculated using the January School Census and Looked After Children Data Returns.

The school allocates the funding where it is most likely to have an impact on our Six Life Long Learning Skills (communication, independence, taking part, choosing, working with others, and keep on trying) which are embedded throughout our school curriculum.

As part of the school's regular performance monitoring we will be evaluating the impact of the PPG. Achievements and progress data will be checked frequently and regular liaison will take place with staff. This will enable assessment as to whether interventions and techniques are working which can then be adjusted accordingly.

Please see the Pupil Premium Grant Statement for 2017-2018 below:

Number of pupils eligible for pupil premium grant = 37 FSM (28 eligible for pupil premium) = £25,200

Total amount of pupil premium grant received per pupil = £900 + additional £1,000 for CLA = £11,400

Total amount of pupil premium grant received = £36,600

Area of provision SDP	Cost	Focus	No of Pupils	Monitoring	Impact
<p><b>Outcomes for children and other learners Autism</b> To ensure inclusive practise for children with autism in school and residence.</p>	<p>TEACCH Course £395 per delegate</p> <p>SCERT's Course £228 per delegate.</p> <p>On line course £10,000</p>	<p><b>Develop whole school approach to autism</b> to further up skill the staff team by raising awareness through training, about effective practise for children and young people with autism -all staff to access an on line course- "Autism Awareness " Staff to attend SCERT's and TEACCH courses.
