CEOP

- Look for their button on sites

A screenshot of the CEOP website's main page. At the top, there is a dark blue header with the CEOP logo and the text 'Child Exploitation and Online Protection command'. On the right side of the header, there is a red button with a white icon of a person running and the text 'Quick exit'. Below the header, the main content area has a white background. The central heading reads 'Are you worried about online sexual abuse or the way someone has been communicating with you online?'. Below this, it says 'Make a report to one of CEOP's Child Protection Advisors'. There are three columns of text with icons: 'Should I make a report to CEOP?' with a computer monitor icon, 'What happens when I make a report?' with a question mark and pencil icon, and 'How can CEOP help me?' with a speech bubble icon. At the bottom, there is a yellow button with a pencil icon and the text 'Make a report'. Below the button, there is a line of text: 'If you have been a victim of sexual online abuse or you're worried this is happening to someone you know, let us know safely and securely'.
