

15 September 2017

Dear Year 1 Parents

**Rugby Hall of Fame -
Rugby Art Gallery & Museum**

We would like to take our Year 1 children to the event above on the morning of **Monday 9 October**.

The purpose for our visit is to learn about the history of Rugby and to take part in a creative session where we will design and stitch our own mini leather rugby balls. We hope that this experience will help the children develop their understanding of this aspect of the curriculum.

Please note the following:

- All children must wear full school uniform.
- The children will return to school in time for them to have lunch, as normal.
- If your child uses an inhaler, please ensure it is in school for the trip.
- We will need 4 parent helpers so, if you would like to help by supervising a small group of children, please contact the School Office and give them your name. We will then draw names from a hat and get in touch with those that are successful on **Monday 2 October**; many thanks.

A £6 contribution towards the overall cost of the workshop and transport would be appreciated; thank you. Please make payment via your ParentPay account in the normal way before **Friday 29 September**. This method of payment will also serve as your permission for your child to attend. If you feel that you are unable to make a contribution, please come and speak to me in confidence.

Yours sincerely

**Ian Dewes
Headteacher**
