Dear Parents,

School council update

During last week classes nominated their school council representatives and this week the positions in the council were decided upon. I am pleased to report that Liam (Y6) will be our new chairperson, Daisy (Y6) is our vice chair, Angus (Y3) is our secretary and Kian S (Y5) is our treasurer. I am really looking forward to working with all the team.

Changes to the going home arrangements

Please ensure that you have filled in the collection sheet (sent out at the start of term) to let class teachers know who they can hand your child(ren) over to at the end of the day. If you are making any changes to the collection arrangements please ensure that you speak to the class teacher or to a member of staff in the office that day.

We ask that you **do not** leave email notification or voicemail messages on the answer phone during the day with the changes, as these may not be picked up before home time. It is crucial you speak to a member of the office or the teachers directly. If the telephone rings out then please try a few minutes later.

Many thanks for your support with this matter.

Parking on The Acres – walking across the staff carpark

We have received another complaint this week from one of our local residents who was concerned by the parking on The Acres.

On Tuesday one of our parents parked their car directly opposite a resident's car on the street. By doing so the parent had blocked the road so that the traffic couldn't get through, despite there being space further up the street. Please remember to be considerate when parking in and around school.

Please do not walk across the carpark after school. We ask that parents walk down the path at the side of the carpark to keep the children as safe as possible.

Sports Update

Yr6 Boys Football

Last week we played football against Burley Woodhead. We all played really well as a team but sadly we lost 4-0. We were pleased with our efforts and we were extra tired when the game was over. By Oscar W.

Yr6 Girls Football

Last week on Friday the girls football team were up against Burley Woodhead. Everyone played really well and we won 2:1. Anna M scored both goals and Megan G (our Captain) was really encouraging as well as the rest of the players. Overall this was a good game and we hope other games will be just as good. By Anna M.

Basketball Report Year 5

Last week was our first match and we played Ben Rhydding. The team had practised very well but unfortunately we lost the match. All the team played well and we never gave up.

This week we played really well and we won our match, which were against Menston. The final score was 6-4. Oliver, Charlie and Thomas E all scored. It was a tough game as the opposition played well. In this match we passed the ball quickly and we had more possession. This meant we had more opportunities to score goals.

Everyone played well and enjoyed the match. We can't wait for next week.

Netball Report Year 5

We have played two matches already. Our first was against Ben Rhydding and unfortunately we lost 7-1. However, we played really well and everyone worked as a team.

This week we played Menston. We drew 1-1 and it was a hard game. Luckily, Kate scored a goal in the final few minutes. We had worked really hard on our passing and finding spaces to pass into. The game lasts for 40 mins so we are all quite tired at the end.

We are looking forward to our next match.
