Total Sports Funding	£8,905
P.E Leaders	Patricia Mayfield

Sports Premium Funding 2015-16

The Government has given every Primary School funding to develop Physical Education and competitive sport. In our school we are using this funding to enable us to work with a series of professional partners including a trust school, St. Wilfrid's Catholic High School and Sixth Form College, to provide a support network for staff and opportunities to compete in a variety of sporting events for the children.

The funding will also enable us to provide continuous professional development for staff to improve the teaching of P.E. in school - developing staff knowledge and confidence, which in turn will enhance the experience and learning opportunities for our pupils.

Our in-school PE teacher and outside coach are working alongside class teachers in lessons to create a rich dialogue, a variety of engaging activities set at the appropriate level and measuring the children's progress. They also provide some of our extra-curricular clubs open to children throughout the Key Stages.

The structure adopted for developing PE and sporting clubs means our children are gaining new skills and experiences and teachers are learning new techniques and knowledge to aid their professional development in teaching sport and PE. We want our children to develop a secure understanding of the importance of a healthy lifestyle through active participation in Sport and PE.

Our main aims:

- *For children to have life-long love of PE, Sport and Physical Activity and understanding of a Healthy Lifestyle.*
- *Develop staff confidence and ability to deliver higher quality PE lessons, improving the learning and participation of ALL pupils.*
- *Create further opportunities for more pupils to participate in Sports at after school clubs.*
- *Increase the participation in competitive sports amongst our pupils.*
- *To develop children's confidence and self-belief in their sporting ability.*
- *Create links with local schools giving opportunities to socialise and compete with other children outside of their school.*
- *Improve the provision and resourcing of PE Equipment to enable staff to deliver higher quality PE.*

How the money (£8892) was spent last academic year (2015-2016)

Use of funding:	Purpose:	Impact:
BKCAT fee £250	To enable our school to participate in a variety of sporting events throughout the academic year.	Children have been enthusiastic to take part. A great opportunity for our children to showcase their sporting talents and to learn the important skills of competition. Children are eager to represent school in a variety of sports.
Transport (balance of £610 was used to offset expenditure against transport to sporting events)	To transport children safely to events held at outside venues.	By providing transport for the children it has made competitions accessible to all children. Travelling together has given the children a sense of team pride and time for the children to socialise with children who may not be within their close friendship group. All children able to take part in competition.
Additional Sporting Opportunities £500	To create new sporting opportunities for the children. (Skipping)	Year 2 and Year 4 classes had the opportunity to learn a new skill. Raised confidence and pride in ability and has also encouraged children to skip during play times, improving fitness.
Hire of Thornes Park Stadium £212	To enable us to provide opportunities in athletics that we do not have the facilities for at school.	This supported our annual sports day and gave the opportunity to use unfamiliar facilities and run events effectively. Children had the opportunity to run on a track, use the sand pit for the long jump, the field for shot put and javelin. It was a fantastic day to celebrate the children's athletic skills which was well attended by parents. Increased participation in, and enjoyment of athletics
Trophies £110	To ensure individual recognition e.g. football, netball, swimming, KS1 boy and girl, KS2 boy and girl, overall Key Stage winner and sports personality of the year.	This was an excellent opportunity for us to celebrate and reward children for high levels of sporting skill. The children were presented their trophies in front of their peers and parents. Their names were also engraved on the trophies and displayed in school for members of the school community and visitors to see. Promoted various sports within school and encouraged others to aim high.
Additional professional fees £7200	To fund professional coaching and after school sports provision for 8 hours per week term-time	Our children gained new skills and experiences; and teachers learnt new techniques and knowledge to aid their professional development in teaching sport and PE. High quality PE delivered in school. A wide range of afterschool sports clubs were available. During the autumn term 2016, we engaged 82 children at afterschool sports clubs, although some children attended more than one club. These ranged from netball, rugby, dance, football and multi-skills.

Funding for 2016/2017 is £8905 and we plan to continue and build upon last year's successes;

Use of funding:	Purpose:	Impact:
BKCAT fee £250	To enable our school to participate in a variety of sporting events throughout the academic year.	Children have been enthusiastic to take part. A great opportunity for our children to showcase their sporting talents and to learn the important skills of competition. Children are eager to represent school in a variety of sports.
Skipping School (in partnership with BKCAT) £500	To enable our children to receive specialist workshops and entry to additional competitions	Children have been enthusiastic to learn new skills and compete individually, with a partner and as a class. It has also encouraged the children to use these skills during playtime and lunchtime breaks. Year 2 received numerous bronze, silver and gold certificates on competition day. Year 4 were runner-up of the Competition and Skip Dance Winners.
Transport The balance of £2905 was used to offset expenditure incurred for transport of: £1801 sporting events £1795 swimming transport	To transport children safely to events held at outside venues. To transport children safely to weekly Swimming lessons.	By providing transport for the children it has made competitions accessible to all children. Travelling together has given the children a sense of team pride and time for the children to socialise with children who may not be within their close friendship group. All children able to take part in competition. By using a coach, children are being safely picked up from school and taken to the local swimming pool for a weekly session to aid them in achieving the end of KS2 swimming objectives.
Additional Sporting Opportunities £250	To create new sporting opportunities for the children. (This year's focus will be on cycling proficiency archery and cricket)	Wakefield Local Authority ran a 2 day training program to provide children with cycling and safety skills to enable them to cycle outside of school. All participants successfully reached the standards. Children have been introduced to new sports and developed a range of new skills. Year 3 and Year 4 participated in a 6 week Cricket program led by Chance2Shine Coaches. A team of Year 3 children had the opportunity to represent our school in a local competition, held at Streethouse Cricket Club. Both cohorts were enthusiastic to take part in sessions and the team included pupils who had not represented school previously.

		<p>Key Stage 2 classes had an archery workshop where they were taught the skills of archery and given the opportunity to put the teaching into action.</p> <p>The workshop was received positively by all children, especially the boys. It also give children who were not currently in sporting clubs a chance to shine and demonstrate their skills to their peers. Therefore giving them a confidence boost and the recognition that everyone can be successful in sporting activities.</p> <p>1k a day initiative introduced and trialled with Upper Key Stage and Lower Key Stage 1.</p> <p>All children participated daily. Fitness and stamina developed in all children along with an enthusiasm for running.</p> <p>Representatives from Year 1 (2 boys and 2 girls) and Year 2 (2 boys and 2 girls) participated in 'Room on the Broom' relay race alongside schools from the Local Authority.</p> <p>Children achieved 3rd place overall. All relay members were presented with a certificate and medal.</p>
<p>Hire of Thornes Park Stadium</p> <p>£121</p>	<p>To enable us to provide opportunities in athletics that we do not have the facilities for at school.</p>	<p>Weekly after-school running club for Key Stage 2 children, led by a member of staff who is an experienced runner.</p> <p>Children's fitness and stamina developed throughout the academic year. They gained insight into running techniques and keeping their body fit and free from injury.</p> <p>Postponed due to weather conditions. However, we did have a school games day where all children had the opportunity to compete in a range of activities.</p>
<p>Trophies</p> <p>£121</p>	<p>To ensure individual recognition e.g. football, netball, swimming, KS1 boy and girl, KS2 boy and girl, overall Key Stage winner and sports personality of the year.</p>	<p>This was an excellent opportunity for us to celebrate and reward children for high levels of sporting skill. The children were presented their trophies in front of their peers and parents. Their names were also engraved on the trophies and displayed in school for members of the school community and visitors to see.</p> <p>Promoted various sports within school and encouraged others to aim high.</p>
<p>Additional professional fees</p> <p>£ 3600</p> <p>£1158</p>	<p>To fund professional coaching and after school sports provision for 4 hours per week term-time.</p> <p>To fund 0.05fte teacher to cover PE delivery and ensure quality provision.</p>	<p>Our children gained new and additional skills and experiences. Teachers learnt new techniques and knowledge to aid their professional development and confidence in teaching sport and PE.</p> <p>High quality PE delivered in school.</p>

		<p>A range of afterschool sports clubs were available, the range was greater due to the employment of a Sports Coach who led 2 different after-school clubs throughout the school year.</p> <p>Clubs available to children included: rugby, football, multi-skills, netball, rounders and dance.</p> <p>Club places were taken up by children in Key Stage 1 and Key Stage 2. Some children did attend more than one club. Autumn Term – 37% Spring Term – 30.5% Summer Term – 28%</p>
Sports Games Mark	<p>To achieve at least the bronze level of the School Games Mark award. To quality assure our provision against a national benchmark.</p>	<p>This award gave staff a target to achieve and an additional opportunity to celebrate the success we have within curriculum PE and Sport.</p> <p>School achieved the Bronze School Games Mark.</p>
