**\* 23 parents responded 'don't know' to the bullying statement** - comments included: 'I haven't made or heard any report about bullying in school and have had no concerns to raise'. To ensure parents know about the school's robust approach to anti-bullying, we regularly share information about our approach via newsletters and the school website. We have been awarded Doncaster's Anti-Bullying Charter Mark at Gold level owing to the high standards of behaviour in school and the robust systems we have in place to deal with rare incidents of unacceptable behaviour. We are very proud of our pupil-led Anti-Bullying Ambassadors. They lead whole school events to raise awareness of e-safety and anti-bullying. Please visit their website page to find out more. Our Anti-Bullying Ambassadors have been recognised with a Diana Award, to mark the positive impact they have made. As always, if you do have individual questions or queries, please get in touch.

All comments will be discussed by all staff and governors as we continue to develop provision at Copley Junior.
