

PROJECT ON A PAGE

Year group: 4 / 5 Chestnut Class

Term: Autumn 2017

Main Outcome:
Provide a visitor experience for parents and peers to learn and interact with an exhibition about the Ancient Greeks

Mini Outcome:
Pupils create and participate in an Ancient Greek style banquet, having made some bread and honey cake. Dress up in similar style clothing

Mini Outcome:
A -maze-ing! Create a maze game in the style of Theseus and the Minotaur for others to play. Include useful information. Use Purple Mash

Mini Outcome:
Create, with clay models, replicas of artefacts used by the Ancient Greeks including some of our mystery objects. Write information card to go along with them.

Mini Outcome:
Read all about it! Write a newspaper report about events, organisation and prizes at the Ancient Greek Olympic games. Can they identify the mystery objects through research?

Immersion:
ICT, Maths, Literacy, History, Art, DT all involved

Visits:
Liverpool Museum Trust - workshop on archaeology and the Ancient Greeks

Audience: Primary school children, parents

Computing: Creation of games on Purple Mash, recorded audio guides, research and presentation skills

Experts:
Museum staff

Skills:
Research, team work, group co-operation, confidence to speak in front of others

Outdoors:
Use outdoor equipment?

Real impact: Passing on learning to others, Legacy display in school of made artefacts with information

Novel Study:
Eye witness: Greeks; Greek Myths; Percy Jackson and the lightning thief

Essential question:
What was it like to live in Ancient Greece?
