

ADDINGTON SCHOOL ASSOCIATION

Dear all,

A simple way to support the fund-raising efforts of our school association for those of you who get the Wokingham paper is to nominate us for the Community Cash Token found within the paper. This gives us the chance of winning £200.00. Please remember you must use original tokens.

Alternatively collect tokens and send into school for the attention Jason Thrower Addington Association c/o Daniel Thrower.

WIN £200 FOR YOUR COMMUNITY GROUP

THE Wokingham Paper and TradeMark Windows have teamed up to present Community Cash Tokens.

The scheme is simple - cut out the tokens we'll print each week.

Send them in to us, as many as you like, and once every two months we'll pull one at random from the editor's hat. One lucky group will win £200, courtesy of TradeMark Windows.

The more tokens that you and your supporters send in, the more chance you have of your group being picked at random.

The Community Cash Tokens are open to charities and other non-profit making groups within Wokingham borough and offer a great way of boosting your funds.

Send your tokens to: Community Cash Tokens, The Wokingham Paper, 231 Kings Road, Reading RG1 4LS.

Please note, only original tokens can be accepted.
