## Library Books

As we approach the end of the school year we are collecting in any library books which are currently on loan. However we hope children will now register for the Summer Reading Challenge so that they can continue to enjoy reading their choice of books during the holidays.

## Clubs

Clubs have now finished for this term, a new letter will be sent out in the new school year showing the options available for the autumn term. Most clubs will restart in the week beginning 25<sup>th</sup> September however, judo will begin on 18<sup>th</sup> September. A judo demonstration will be given by some members of the Club during assembly on the afternoon of 11<sup>th</sup> September.

## Summer Production

The Wizard of Oz will be in full swing next week and will be recorded for posterity. If you would like to buy a copy of our latest production on DVD please ensure your order is in by Friday with your completed order form and money. Thank you.

## Book Club Sale

The second Book Club Sale took place on Wednesday afternoon with many children adding some summer reading to their home libraries. These book sales have proved so popular with children from all year groups that we have decided to continue them next year. We will be inviting everyone to take part so look out for the letter showing full details in the new year.

## Summer Reading Challenge

Several parents and children have mentioned this week that they are looking forward to taking part in the Summer Reading Challenge as advertised in last week's Flyer. Some children have taken part every year since being at Foxmoor and our pupils have earned the school some recognition at Stroud Library for leading the way and getting more children and parents involved than any other school in the area. This enjoyment of reading shows throughout the curriculum when the children return to school in September with their reading skills honed. You can sign up at your local library from tomorrow (this will give children an extra week or two to read the required six books by the end of the scheme) and of course it is completely free.

On your mark...
