

2016 History Year 1 Learning Ladder

Year 1 Programmes of Study Objectives						
Investigating and Interpreting the past						
Observe or handle objects and explain what it was used for in the past						
Ask questions about old and new objects						
use artefacts and pictures to answer questions and find out about the past.						
Understanding chronology						
Place a few artefacts in chronological order (recent history)						
Identify things that happened to them when they were younger						
Recount changes that have occurred in their own lives.						
Recognise and retell a story set in the past						
Explain why a story was set in the past						
Communicating Historically						
Use some words related to the passing of time – old, new, a long time ago (before/after/very old)
