It was agreed that Joanne would chair the new FOSP committee and that Helen Thornton would be the secretary. The previous treasurer was happy to remain as treasurer for the time being.

Everybody agreed that Halloween disco had been a successful event and raised £575. We agreed that we would plan another one for next year using the same format; free entry, potato pie supper & hotdogs, bar, cake stall, tuck shop and games. The timing of the event 6.30- 8.30 was a good time.

We discussed the possibility of holding a children's Xmas party but would need more time to plan this and would not have enough time this year but it was an event we could look at for next year.

FOSP agreed to pay for the children's selection boxes at the Christmas party. We will need 136. Tesco currently have large boxes on sale for £1.00. Helen Thornton works for Co-op and will see if she can get a better price. It was agreed that she would let the group know by Monday.

Fosp agreed the next event would be held at Easter taking place on Friday 1st April 6.30-8.30 and it would be an interactive race night. This involves the children being the horses and jockeys. We agreed to hold a meeting on Thursday 17th March at 6pm to plan this event. Helen S agreed that she would apply for a licence before Feb half term. The committee agreed to look for raffle prizes with local business and we would put in the school newsletter requesting unwanted xmas presents to re gift before somebody else got them. We agreed to have a potato pie and hot dogs, a bar, a tuck shop. It will be free entry but tickets are required.

We agreed to look for forfeits for the evening.

We will hold a summer fayre this year on 9th July with a meeting being held on 26th May to start to plan this activity.

We discussed possible future events of
1/ film night
2/ fashion show

Fabia is going to see how alder grange do these and report back.
Quiz night - Fabia's husband Steve is the quiz master.

We asked Helen S what school required so that we could inform parents. Helen informed the committee that school really need a new climbing frame but this would be costly she is going to go away and seek some quotes and report back. We decided that we need to keep the parent aware of the running total of the funds and that this should be put in the school newsletter and maybe a display in school. Helen will find out what we have in the bank and then we can add the Halloween funds.
