

Year 6
Mrs McClellan
and Mr Porter
Welcome

Reading

- ▶ Every morning we expect all children to be in school for 8:40am with their reading book and reading log signed by an adult.
- ▶ We expect your child's reading log to be signed once over the weekend and three times during the week (minimum). Reading logs are checked every morning and where children have missed this opportunity to develop their fluency, they will be given the chance to sit with an adult during Friday break time.
- ▶ Children's reading is developed through a new scheme introduced last year called 'Cracking Comprehension'. This involves daily reading and answering comprehension questions.

Classroom routines

- ▶ Homework (Maths/Reading) given out every Friday to be returned the following Friday as homework is marked together in class. If your child does not understand the homework, please bring it back in early in the week where an adult can explain it further. If a child loses their homework, spare copies are kept in the classroom.
- ▶ P.E. is on Thursday - Please make sure your child has the correct kit.
- ▶ Spelling logs to be brought to school on Tuesday and Thursday (6M) or Monday and Thursday (6P)
- ▶ Your child has his/her own user name and password in their Reading log which will allow them access to Rock Star Timestable, Abacus Maths and Read Theory. Please ensure your children log on to these sites to help them consolidate their learning.

Year 6 Standards

KS2 SATs >

- ▶ At the end of this presentation, please spend some time looking through the range of SATs material that will show you the standards that we are expecting your child to achieve by the end of Year 6.
- ▶ SATs tests this year will be on the week beginning Monday 14th May 2018. Please ensure your child will be present throughout this week.
- ▶ Please try not to book any holidays during this week.

Handwriting

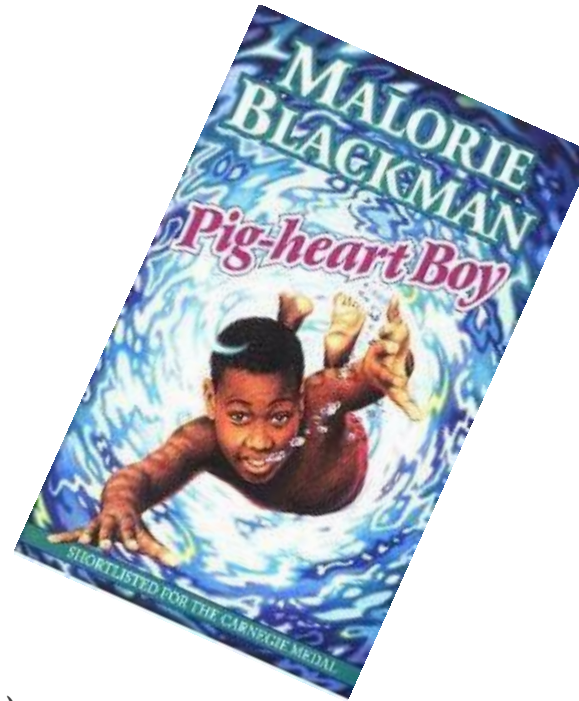

- ▶ We are now using Nelson Handwriting Scheme throughout the school
