TRUSTEES' REPORT
FOR THE YEAR ENDED 31 AUGUST 2016

The Governors present their Annual Report together with the financial statements and Auditors' Report of St Teresa's Catholic Primary School (the Charitable Company) for the year ended 31 August 2016. The Governors confirm that the Annual Report and financial statements comply with the current statutory requirements of the company's governing document, the EFA accounts guidance and the provisions of the statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in March 2005.

The Charitable Company operates an academy school for pupils aged 4 – 11 years serving the catchment area set out by the Diocese. It has a pupil capacity of 218 and on roll of 221 in the 2016 school census.

Structure, Governance and Management

Constitution

The Trust is a company limited by guarantee and an exempt charity. The Charitable Company's memorandum and articles of association are the primary governing documents of the Academy. The Trustees of the Charitable Company are also the Directors for the purposes of company law. The terms Trustee, Director and Governor are interchangeable. The Trust is also known as St Teresa's Catholic Primary School (the School).

Details of the Governors who served throughout the year except as noted are indicated in the reference and administrative details on page 1.

Members Liability

Each Member of the Charitable Company undertakes to contribute to the assets of the Charitable Company in the event of it being wound up while they are a Member, or within one year after they cease to be a Member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a Member.

Governors Indemnities

In accordance with normal commercial practice the Governors are covered by indemnity insurance purchased at the Academy's expense to cover the liability of the Governors and Officers from claims in respect of any negligence, default or breach of trust or breach of duty in which they may be guilty in relation to the Academy business. The insurance provides cover up to £2,000,000 on any one claim and details of the costs are disclosed in note 10 to the accounts. Such indemnity will not apply to any act or omission which the Governors knew to be a breach of trust or a breach of duty or which was committed by the Governors in reckless disregard, nor will such indemnity extend to the costs of any unsuccessful defence to a criminal prosecution brought against the Governors in their capacity as Directors of the Academy Trust.

Method of Recruitment and Appointment or Election of Trustees

- Parent Governors are appointed by election of parents of the pupils attending the School.
- Staff Governors are appointed by election of the staff employed by the Academy.
- Foundation Governors are appointed by Brentwood Diocese, one of whom shall be the Parish Priest.
- The Headteacher automatically becomes an ex officio Governor.
- Further Governors may be appointed by the Secretary of State

Principal Activities

The principal activities of the Charitable Company are for the provision of education by establishing, maintaining, carrying on, managing and developing the School offering a broad and balanced curriculum. The Academy is constituted as a 4 – 11 school for the period to 31 August 2014.

Policies and Procedures adopted for the induction and training of Governors

The Charitable Company is committed to providing adequate opportunities for Governors to undertake and receive suitable training so as to enable them to perform their role effectively.

New Governors are required to attend an induction training programme. The induction programme would involve a tour of the School, meetings with students and staff and provision of policy and procedures documents that are appropriate to the role they undertake as Governors with particular emphasis on the committee work that they will undertake.

All Governors are provided with copies of policies, procedures, minutes, accounts, budgets, plans and other documentation required to undertake their role as Governors. The Academy also purchases the local authority Governor Training Scheme.

FOR THE YEAR ENDED 31 AUGUST 2016

Organisational structure

The Governing Body, which meets on at least 3 occasions per year, is responsible for the strategic direction of the Academy. The Governing Body reviews progress towards educational objectives and results. They also responsible for setting and implementing strategic policy; setting an annual plan and budget for the following year; budget monitoring making major decisions about the direction of the Academy; approval of major expenditure requests; setting the organisational staffing structure and agreeing the performance objectives of the Headteacher with the School Improvement Partner if required.

The full Governing Body delegates certain of its functions to the Finance, Premises and Personnel Committee. These meetings are also attended by members of the Academies Senior Leadership Team as required.

The Headteacher is the designated Accounting Officer of the Academy and has overall responsibility for the day to day financial management of the Charitable Company. The Headteacher has delegated responsibility for low values of expenditure to specific budget holders who are each responsible for managing their own departments within the constraints of their allocated budgets. A system of financial controls is in place to manage this process.

The Headteacher manages the Academy on a daily basis supported by a Senior Leadership Team. The Senior Leadership Team meets frequently to discuss emerging matters and to help to develop strategies for future development to be put to the Headteacher and the Governing Body as required for approval. Each member of the Senior Leadership Team has specific responsibilities to assist the Headteacher to manage certain aspects of the School.

Arrangements for Setting Pay and Remuneration of Key Management Personnel

Key management personnel include Academy Govenors and those staff to whom the Trustees have delegated significant authority and responsibility in the day-to-day running of the Trust.

Pay and remuneration of key management personnel is decided by a variety of contributory factors, such as the school group size, the pay scales for each role and the level of experience of each staff member. In addition, pay levels may be affected by nationally agreed pay awards, the ability to recruit and retain in post, all of which are in accordance with the Trust's appointment and pay policies.

Connected Organisations and Related Parties

Owing to the nature of the Trust's operations and the composition of the Governing Body and Governors being drawn from local public and private sector organisations, it is inevitable that from time to time transactions will take place with organisations in which members of the Board may have an interest. All transactions involving such organisations are conducted at arm's length and in accordance with the Academy's financial regulations and normal procedures. Any transaction where the Governors may have a pecuniary interest is only undertaken in accordance with the 'at cost' principle described in the Academies Financial Handbook.

The Trust cooperated with the following organisations during the year in pursuit of its charitable activities:

- Local Authority
- Diocese of Brentwood
- Working in Partnership with Local Schools
- Friends of St Teresa's

Risk Management

The Academy maintains a risk register identifying the major risks to which the Academy is exposed, and identifying actions and procedures to mitigate those risks. This register is approved and monitored by the Finance, Premises and Personnel Committee. The principal risks facing the Academy are outlined below in the principal risks and uncertainties section; those facing the Academy at an operational level are addressed by its systems and by internal financial and other controls.

The Governors report that the Academy's financial and internal controls conform to guidelines issued by the EFA, and that improvements to the wider framework of systems dealing with business risk and risk management strategy continue to be made and formally documented.

FOR THE YEAR ENDED 31 AUGUST 2016

Objectives and Activities

Objectives and Aims

The Governing Body had the following main objectives for the period ended 31 August 2016.

- To provide learning opportunities for all children in a Christ centred environment.
- To make real our mission statement; we love God and each other and follow the example of St Teresa. We enjoy learning together and doing our best in a happy, healthy and welcoming community. We learn to be responsible and caring citizens. "Let us do little things well today".
- To ensure that every child enjoys the same high quality education in terms of resourcing, tuition and care.
- To continue to raise the standard of educational achievement of all pupils and thereby to maintain the Academy's local and national reputation.
- To improve the effectiveness of the School by keeping the curriculum and organisational structure under continual review.
- To provide value for money for the funds expended.
- To comply with all appropriate statutory and curriculum requirements.
- To conduct the Academy's business in accordance with the highest standards of integrity, probity and openness.

Strategies and Activities

In keeping with its objectives for the period, the main activities provided by the School included:

- Tuition and learning opportunities for all children to attain appropriate academic standards and progress.
- Training opportunities for all staff and especially teaching staff.
- A programme of sporting and after school leisure activities for all children.
- Promotion of effective links with St Teresa's Parish to enhance the spiritual life of the School.

School Specific Points

As St Teresa's Catholic Primary School achieved OUTSTANDING from Ofsted. During this academic year our aim has been to get the best for and from, each child. We intend to enable each child to realise his or her full academic, creative and physical potential and to develop positive social and moral values.

Public Benefit

The Governors believe that by working towards the objects and aims of the School as detailed above, they have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission.

The Academy has operated in accordance with its funding agreement as a non-charging, non profit organisation throughout the period in question. Pupil admissions to the Academy have been contacted in accordance with admissions policy agreed by the Diocese of Brentwood.

Strategic Report

Achievements and Performance

The School had an ofsted visit in January 2014 and was reported OUTSTANDING in all areas.

The Governors measures its success partly through a series of performance indicators. These indicators comprise:

- School popularity/Admissions
- Test results and other indicators of children's progress
- Staff performance monitoring
- Financial health
- Stakeholder survey outcomes.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

EYFS data for 2016

	School	Essex	National
% of children achieving a 'Good Level of Development' (GLD)*	64.5	72	69.3
Average Point Score* (APS)	36.9	35.3	34.5

***Children will have achieved a GLD at the end of the EYFS if they achieve at least the expected level in learning (Communication and Language, Physical Development, Personal, Social and Emotional Development) and Early Learning Goals in the specific areas of Mathematics and Literacy.**

The APS is calculated by adding up the points awarded for each of the 17 ELG.

The percentage of children at Good Level of Development is below both the Essex and the National average. However, the APS in 2016 is 36.9 which is a 1.1 point rise since 2015 and a 0.6 point rise since 2014. The Average Point Score is above both the Essex and the National average. The cohort is an extremely immature one and extra support is being given in Year 1.

YEAR 1 PHONICS – 2016

% of pupils passing the Phonic Check	School	Essex	National
Year 1	93.3	81.3	80.6
Year 2 re-take	100	67.5	66.9

The % of pupils passing the Phonics Check is above both the Essex and National %. The number of pupils re-sitting the check in Year 2 (after failing it in Y1) is significantly above both Essex and National figures.

KEY STAGE 1 DATA – 2016

EXS – Working at the Expected Standard, **GDS** – Working at a Greater Depth

% of pupils achieving	EXS (School)	EXS (Essex)	EXS (National)	GDS (School)	GDS (Essex)	GDS (National)
Reading	83.9	77	74.1	38.7	28.2	23.6
Writing	74.2	68.1	65.5	29	16.5	13.3
Maths	67.7	74.5	72.7	25.8	20.9	17.8
Reading, Writing and Maths combined	64.5	62.7	60.3	19.4	10.9	8.9

Only the % of pupils working at the expected level in math is below the Essex and National figures. St Teresa's is above Essex and National in all other areas including those working at greater depth in Math.

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

KEY STAGE 2 DATA – 2016

% of children that reached the standard	School	Essex	National	Average scaled score* School	Average scaled score* School	Average scaled score* School
Reading	90.6	66.8	65.6	109	102	102
Writing	87.5	76.2	74.1			
Maths	90.6	71.1	69.7	108	103	103
GPS	90.6	73.6	72.3	108	104	103
Reading, Writing and Maths combined	84.4	55.6	53.2			

*The raw scores achieved in tests are converted to scaled scores. Scaled scores range from 80 – 120. A scaled score of 100 shows the pupil has met the expected standard in the test. The higher the scaled score the better they did.

The floor standard for 2016 is:

- at least 65% of pupils meet the expected standard in English reading, English writing and Mathematics.

St Teresa's results are well above the floor standard and the Essex and National figures.

Key Performance Indicators

The Governors receive termly information to enable them to monitor the performance of the Trust compared to aims, strategies and financial budgets.

As funding is based on pupil numbers this is a key performance indicator. Pupil numbers for 2015/16 were 221 (2014/15: 218).

Another key financial performance indicator is staffing costs as a percentage of total income (excluding capital grants). For 2015/16 this was 73.5% (2014/15: 73.6%).

Going concern

After making appropriate enquiries, the Governing Body has a reasonable expectation that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Financial Review

The Governors believe that the academy's financial position is adequate despite that reduction in reserves from £146,798 to £126,008 in the year which was primarily due to additional staff expenditure incurred in the year with regards to support staff, which is not expected to continue in 2016/17.

Although the Balance Sheet on page 19 shows a material shift from net assets of £130,594 at 31 August 2015 to net liabilities of £153,697 at 31 August 2016, this is due to the significant increase in the Local Government defined benefit pension liability which was a result of changes in actuarial assumptions used mainly in relation to the discount rate.

The principal source of funding for the Trust is the General Annual Grant (GAG) and other grants that it receives from the EFA. For the year ended 31 August 2016 the Trust received £927,335 of GAG and other Government funding. A high percentage of this funding is spent on wages and salaries and support costs to deliver the Academy's primary objective of the provision of education.

The Academy Trust has received unrestricted income from other sources of £43,249 during the year and has carried a surplus of £126,008 forward which is being carried forward as a contingency to cover increased expenditure or lower in future years.

ST TERESA'S CATHOLIC PRIMARY SCHOOL
(A Company Limited by Guarantee)

TRUSTEES' REPORT (continued)
FOR THE YEAR ENDED 31 AUGUST 2016

Financial Position

The Academy held fund balances at 31 August 2016 of £128,008 all comprising of unrestricted funds. The Academy also had a pension reserve deficit of £607,000.

At 31 August 2016 the net book value of fixed assets was £219,295 and movement in tangible fixed assets are shown in note 11 to the financial statements. The assets were used exclusively for providing education and the associated support services to the pupils of the Academy.

Reserves policy

The Governors are aware of the requirement to balance current and future needs. Budgets and expenditure plans are developed to create a small annual surplus to build up a sufficient contingency to meet unexpected changes in the levels of income or expenditure. Governor's do not expect this to fall below £50,000.

Although the Academy's free reserves (total funds less the amount held in fixed assets and restricted funds) has decreased by £20k to £126k during the year, the Governors believe that the level of free reserves is adequate to face the current uncertainties and changing operating environment.

Due to the accounting rules for the Local Government Pension Scheme under FRS102, the Academy is recognising a significant pension fund deficit of £670,000. This does not mean that an immediate liability for this amount crystallises and that such a deficit generally results in a cash flow effect in the form of increased employer contributions over a number of years.

Financial and Risk Management Objectives and Policies

Principal Risks and Uncertainties

The Governors maintain a risk register identifying the major risks to which the Academy is exposed, and identifying actions and procedures to mitigate those risks. A formal review of the risk management process is undertaken on an annual basis and the internal control systems and the exposure to said risks are monitored on behalf of the Governors at each Finance Committee meeting. The principal risks facing the Trust are outlined below; those facing the Academy at an operational level are addressed by its systems and by internal financial and other controls.

The Governors report that the Trust's financial and internal controls conform to guidelines issued by the EFA, and that improvements to the wider framework of systems dealing with business risk and risk management strategy continue to be made and formally documented.

It is recognised that systems can only provide reasonable but not absolute assurance that major risks have been adequately managed.

The financial performance of the Academy School is closely monitored by the Finance, Premises and Personnel Committee. Cash flows can be reliably forecast, monitored and reported. Staff costs make up the majority of expenditure and this is relatively stable with contingencies in place to cover such items as sickness and maternity.

The Governors assess the principal risks and uncertainties facing the Academy as follows:

- The Academy has considerable reliance on continued Government funding through the EFA and there is no assurance that Government policy or practice will remain the same or that public funding will continue at the same levels or on the same terms.
- Failures in governance and/or management - the risk in this area arises from potential failure to effectively manage the Academy's finances, internal controls, compliance with regulations and legislation, statutory returns, etc. The Governors continue to review and ensure that appropriate measures are in place to mitigate these risks.
- Staff retention and new appointments: possibly the biggest single risk to the Academy would lie in its failure to retain key staff – appointment of new staff to key positions (such as the new Headteacher in 2016) requires additional resources and support to ensure smooth transition.
- Safeguarding and child protection - the Governors continue to ensure that the highest standards are maintained in the areas of selection and monitoring of staff, the operation of child protection policies and procedures, health & safety and discipline.
- Fraud and mismanagement of funds - The Academy has appointed an Internal Auditor to carry out checks on financial systems and records as required by the Academy Financial Handbook. All finance staff receive training to keep them up to date with financial practice requirements and develop their skills in this area.
- Financial constraints - In light of the reducing reserves of the academy, the governors have introduced tighter

budgetary controls and monitoring to identify and address any emerging financial risks.

The Academy has continued to strengthen its risk management process throughout the year by improving the process and ensuring staff awareness.

Plans for Future Periods

The Governors will continue striving to improve the levels of performance of the students at all levels, and will attempt to maintain its recent progress in ensuring the number of students on the roll properly reflects the demand for places.

The Governors intend to enhance and expand facilities in pursuance of the School's commitment to ensure that all students achieve their potential. It is recognised that students with differing abilities and aptitudes will have differing curriculum requirements and that a greater diversity of learning environments will be required to deliver these.

St Teresa's Catholic Primary School continues to seek opportunities to engage with local schools with the ultimate aim of building a family of schools of exceptional quality.

Held Funds

St Teresa's Catholic Primary School has held funding of £35,000 on behalf of 3 local primary schools as part of the National College for Teaching and Leadership. As at 31 August 2016 the fund balance was £NIL. The schools previous Headteacher was a local leader in education and commissioned by the National College and Local Authority to work with other schools.

Provision of Information to Auditors

Each of the persons who are Governors at the time when this Governors report is approved has confirmed that:

- there is no relevant audit information of which the Charitable Company's Auditors are unaware, and
- the Governors have taken all the steps that they ought to have taken to make themselves aware of any relevant audit information and to establish that the Auditor is aware of that information.

The Auditors, Price Bailey LLP, are willing to continue in office and a resolution to appoint them will be proposed at the Annual General Meeting.

The Trustees' Report was approved by the Board of Trustees on 6 December 2016 and signed on the Board's behalf by:

GOVERNANCE STATEMENT

SCOPE OF RESPONSIBILITY

As Trustees, we acknowledge we have overall responsibility for ensuring that St Teresa's Catholic Primary School has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between St Teresa's Catholic Primary School and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

GOVERNANCE

The information on governance included here supplements that described in the Trustees' Report and in the Statement of Trustees' Responsibilities. The Board of Trustees has formally met 3 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
Mrs M Kelly	2	2
Mr I Brown	3	3
Mrs G Callegari	3	3
Mr SM Clements	3	3
Mrs C Cleverdon	1	2
Mr G Garvey	2	3

Fr TP Levin	3	3
Mrs E Thrower	1	3
Mr C Wetton	3	3
Mr M Dawson	3	3
Mrs F Booker	1	1
Mr M Hockley	2	3

During the year the key changes in composition of the Board of Trustees included the resignation of the Headteacher and the Chair of the Finance, Premises and Personnel Committee. A new Headteacher was appointed in January 2016. The Chair of the Finance, Premises and Personnel Committee resigned in March 2016 and a new Chair was appointed at the next finance meeting.

Each Governor carried out a skills audit in February 2016. This information was collated and checked for any weakness in the Governing Body mix. All areas are covered and there are no weak areas within the Schools skills mix.

The next external review of governance will be completed in Spring term 2017.

The Finance, Premises and Personnel Committee is a sub-committee of the main Board of Trustees. Its purpose is to deal with all financial matters.

Attendance at meetings in the year was as follows:

GOVERNANCE STATEMENT (continued)

REVIEW OF VALUE FOR MONEY

As Accounting Officer, the Headteacher has responsibility for ensuring that the Academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received.

The Accounting Officer considers how the Academy's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy has delivered improved value for money during the year by:

- being diligent in managing the funds for the benefits of the pupils. Trustees have ensured that Tendering procedures are followed in line with our financial regulations and that best value is sought. The School has been successful in gaining a Capital Grant for fire doors throughout the school. Governors monitored and adhered to the tender process to in line with best value and best practise for the school. Three bids were obtained and submitted to the school by our architects. The lowest bidder was awarded the contract. The work started in June 2016 and the project was finished on time in August 2016 within budget.
- move to cashless school i.e., introduction of parent pay which saved considerable staff time and resources and also reduced cash holding on the premises.
- introduction of school app to communicate with parents which must have reduced use of paper and photocopying cost.

THE PURPOSE OF THE SYSTEM OF INTERNAL CONTROL

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in St Teresa's Catholic Primary School for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the Annual Report and financial statements.

CAPACITY TO HANDLE RISK

The Board of Trustees has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy's significant risks, that has been in place for the year 1 September 2015 to 31 August 2016 and up to the date of approval of the Annual Report and financial statements. This process is regularly reviewed by the Board of Trustees.

THE RISK AND CONTROL FRAMEWORK

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Finance, Premises and Personnel Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines;
- delegation of authority and segregation of duties; and
- identification and management of risks.

GOVERNANCE STATEMENT (continued)

The Board of Trustees has considered the need for a specific internal audit function and has decided to appoint Essex County Council as Internal Auditor.

The Internal Auditor's role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems.

- Governance.
- Financial management.
- Banking.
- Payroll.
- Income.
- Assets.
- Expenditure.

On a termly basis, the Internal Auditor reports to the Board of Trustees on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities.

Essex County Council delivered their schedule of works as planned and no material control issues were identified.

REVIEW OF EFFECTIVENESS

As Accounting Officer, the Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the Internal Auditor;
- the work of the external Auditors;
- the financial management and governance self-assessment process; and
- the work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Finance, Premises and Personnel Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

STATEMENT ON REGULARITY, PROPRIETY AND COMPLIANCE

As Accounting Officer of St Teresa's Catholic Primary School I have considered my responsibility to notify the Board of Trustees and the Education Funding Agency (EFA) of material irregularity, impropriety and non-compliance with EFA terms and conditions of funding, under the funding agreement in place between the Academy Trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2015.

I confirm that I and the Board of Trustees are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the Academy Trust's funding agreement and the Academies Financial Handbook 2015.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of Trustees and EFA.

STATEMENT OF TRUSTEES' RESPONSIBILITIES
FOR THE YEAR ENDED 31 AUGUST 2016

The Trustees (who act as Governors of St Teresa's Catholic Primary School and are also of the Directors of the Charitable Company for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with the Annual Accounts Direction issued by the Education Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the Charitable Company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies' Accounts Direction 2015 to 2016;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in operation.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charitable Company's transactions and disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the Charitable Company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from the EFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

**INDEPENDENT AUDITORS' REPORT ON THE FINANCIAL STATEMENTS TO THE MEMBERS OF ST
TERESA'S CATHOLIC PRIMARY SCHOOL**

We have audited the financial statements of St Teresa's Catholic Primary School for the year ended 31 August 2016 which comprise the Statement of Financial Activities Incorporating Income and Expenditure Account, the Balance Sheet, the Statement of Cash Flows and the related notes. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland" and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

This Report is made solely to the Academy's Members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Academy's Members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Academy and its Members, as a body, for our audit work, for this Report, or for the opinion we have formed.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND AUDITORS

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the Directors of the Charitable Company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

SCOPE OF THE AUDIT OF THE FINANCIAL STATEMENTS

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the Academy's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the Trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Trustees' Report to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our Report.

OPINION ON FINANCIAL STATEMENTS

In our opinion the financial statements:

- give a true and fair view of the state of the Charitable Company's affairs as at 31 August 2016 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2015 to 2016 issued by the Education Funding Agency.

OPINION ON OTHER MATTER PRESCRIBED BY THE COMPANIES ACT 2006

In our opinion the information given in the Trustees' Report, incorporating the Strategic Report, for the financial year for which the financial statements are prepared is consistent with the financial statements.

MATTERS ON WHICH WE ARE REQUIRED TO REPORT BY EXCEPTION

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO ST TERESA'S CATHOLIC PRIMARY SCHOOL AND THE EDUCATION FUNDING AGENCY

In accordance with the terms of our engagement letter dated 19 September 2016 and further to the requirements of the Education Funding Agency (EFA) as included in the Academies Accounts Direction 2015 to 2016, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by St Teresa's Catholic Primary School during the year 1 September 2015 to 31 August 2016 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This Report is made solely to St Teresa's Catholic Primary School and the EFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to St Teresa's Catholic Primary School and the EFA those matters we are required to state in a Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than St Teresa's Catholic Primary School and the EFA, for our work, for this Report, or for the conclusion we have formed.

RESPECTIVE RESPONSIBILITIES OF ST TERESA'S CATHOLIC PRIMARY SCHOOL'S ACCOUNTING OFFICER AND THE REPORTING ACCOUNTANT

The Accounting Officer is responsible, under the requirements of St Teresa's Catholic Primary School's funding agreement with the Secretary of State for Education dated 20 February 2012, and the Academies Financial Handbook extant from 1 September 2015, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2015 to 2016. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

APPROACH

We conducted our engagement in accordance with the Academies Accounts Direction 2015 to 2016 issued by the EFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the Academy's income and expenditure.

The work undertaken to draw to our conclusion includes:

- Consideration and corroboration of the evidence supporting the Accounting Officer's statement on regularity, propriety and compliance.
- Evaluation of the general control environment of the Academy Trust, extending the procedures required for financial statements to include regularity.
- Discussions with and representations from the Accounting Officer and other key management personnel.
- An extension of substantive testing from our audit of the financial statements to cover matters pertaining to regularity, propriety and compliance in particular checking that selected items were appropriately authorised, and appropriate.

**INDEPENDENT REPORTING ACCOUNTANTS' ASSURANCE REPORT ON REGULARITY TO ST TERESA'S
CATHOLIC PRIMARY SCHOOL AND THE EDUCATION FUNDING AGENCY (continued)**

CONCLUSION

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2015 to 31 August 2016 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgements and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2015 to 2016 issued by EFA, the Charities Act 2011 and the Companies Act 2006.

St Teresa's Catholic Primary School constitutes a public benefit entity as defined by FRS 102.

First time adoption of FRS 102

These financial statements are the first financial statements of St Teresa's Catholic Primary School prepared in accordance with Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (FRS 102) and the Charities SORP 2015 (SORP 2015). The financial statements of St Teresa's Catholic Primary School for the year ended 31 August 2015 were prepared in accordance with previous Generally Accepted Accounting Practice ('UK GAAP') and SORP 2005.

Some of the FRS 102 recognition, measurement, presentation and disclosure requirements and accounting policy choices differ from previous UK GAAP. Consequently, the Trustees have amended certain accounting policies to comply with FRS 102 and SORP 2015.

Any reconciliations to previous UK GAAP for the comparative figures are included in note 23.

1.2 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Department for Education and Education Funding Agency.

Investment income, gains and losses are allocated to the appropriate fund.

ST TERESA'S CATHOLIC PRIMARY SCHOOL
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.3 Income

All income is recognised once the Academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of Financial Activities Incorporating Income and Expenditure Account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance Sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of Financial Activities Incorporating Income and Expenditure Account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability. Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance of the restricted fixed asset fund.

Sponsorship income provided to the Academy which amounts to a donation is recognised in the Statement of Financial Activities Incorporating Income and Expenditure Account in the period in which it is receivable, where there is certainty of receipt and it is measurable.

Donations are recognised on a receivable basis where there is certainty of receipt and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Charitable activities and governance costs are costs incurred on the Academy Trust's educational operations, including support costs and costs relating to the governance of the Academy Trust apportioned to charitable activities.

All resources expended are inclusive of irrecoverable VAT.

1.5 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Academy Trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements..

(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.6 Tangible fixed assets and depreciation

All assets costing more than £1,000 are capitalised.

Where tangible fixed assets have been acquired with the aid of specific grants, either from the Government or from the private sector, they are included in the Balance Sheet at cost and depreciated over their expected useful economic life. Where there are specific conditions attached to the funding requiring the continued use of the asset, the related grants are credited to a restricted fixed asset fund in the Statement of Financial Activities Incorporating Income and Expenditure Account and carried forward in the Balance Sheet. Depreciation on the relevant assets is charged directly to the restricted fixed asset fund in the Statement of Financial Activities Incorporating Income and Expenditure Account. Where tangible fixed assets have been acquired with unrestricted funds, depreciation on such assets is charged to the unrestricted fund.

The Academy Trust occupies land and the buildings provided to it by the Diocesan Trustees under a license (also referred to as a Church Supplemental Agreement) which contains a two year notice period. Having considered the fact that the Academy Trust occupies the land and buildings by a license that transfers to the Academy no rights or control over the site save that of occupying it at the will of the Diocesan Trustees under the agreement, the Diocesan Trustees have concluded that the value of the land and buildings occupied by the Academy Trust will not be recognised or valued within fixed assets.

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Fixtures and fittings	-	10 years straight line
Office equipment	-	10 - 13 years straight line
Computer equipment	-	10 years straight line

1.7 Operating leases

Rentals under operating leases are charged to the Statement of Financial Activities Incorporating Income and Expenditure Account on a straight line basis over the lease term.

1.8 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Academy; this is normally upon notification of the interest paid or payable by the bank.

1.9 Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a Charitable Company for UK corporation tax purposes. Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

ST TERESA'S CATHOLIC PRIMARY SCHOOL
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.10 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.11 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

1.12 Liabilities and provisions

Liabilities are recognised when there is an obligation at the balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the Academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.13 Pensions

Retirement benefits to employees of the Academy are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes and the assets are held separately from those of the Academy.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the Academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 20, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate Trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of Financial Activities Incorporating Income and Expenditure Account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 AUGUST 2016

1. ACCOUNTING POLICIES (continued)

1.14 Critical accounting estimates and areas of judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 20, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2013 has been used by the actuary in valuing the pensions liability at 31 August 2016. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

2. INCOME FROM DONATIONS AND CAPITAL GRANTS

14. PRIOR YEAR ADJUSTMENT

A prior year adjustment has been made following extensive discussions about the nature of the carrying values of faith school properties with the EFA. Property improvements and additions to church owned premises offer no further rights to occupation than those conferred by the church Supplemental Agreement and as such the value of property improvements have already been taken into account via the notional donation in kind of the right to occupy. The opening reserves at 1 September 2014 have been reduced by £114,162 to reflect this.

20. PENSION COMMITMENTS

The Academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Essex County Council. Both are Multi-Employer Defined Benefit Pension Schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2013.

Contributions amounting to £10,038 were payable to the schemes at 31 August 2016 (2015 - 11,948) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

20. PENSION COMMITMENTS (continued)

Valuation of the Teachers' Pension Scheme

Not less than every four years the Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge (currently 14.1%);
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million;
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations; and
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS will be as at March 2016, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £52,679 (2015 - £49,521).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The Trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The Trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2016 was £58,000 (2015 - £57,000), of which employer's contributions totalled £44,000 (2015 - £44,000) and employees' contributions totalled £14,000 (2015 - £13,000). The agreed contribution rates for future years are 12.3% for employers and between 5.5% -12.5% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.

Principal actuarial assumptions at the balance sheet date (expressed as weighted averages):

	2016	2015
Discount rate for scheme liabilities	2.20 %	4.00 %
Expected return on scheme assets at 31 August	2.10 %	5.00 %

22. RELATED PARTY TRANSACTIONS

The Academy operates from land and buildings provided rent free by the Diocese of Brentwood. Under an agreement between the Dioceses, the Academy and the Secretary of State the Diocese would be required to give 24 months notice from the year end if it wished to terminate this agreement. No such notice had been given at the year end and the Diocese is therefore committed to providing the land and buildings rent free for a further 36 months from the year end. The Trustees estimate that the cost of renting equivalent buildings would be £57,000 per annum, on this basis a donation from the Diocese of £57,000 is shown in the accounts together with a notional expense of the same amount. In addition, included within debtors is a donation in kind receivable of £171,000 representing the commitment by the Diocese to provide the land and buildings rent free for a further 36 months.

The spouse of a Governor is employed by the Academy on a contract approved by Governors whose remuneration is in line with the standard pay scales for the role undertaken and their employment contract is subject to normal terms and conditions.

There were no other related party transactions during the year ended 31 August 2016.

23. FIRST TIME ADOPTION OF FRS 102

It is the first year that the Academy Trust has presented its financial statements under SORP 2015 and FRS 102. The following disclosures are required in the year of transition. The last financial statements prepared under previous UK GAAP were for the year ended 31 August 2015 and the date of transition to FRS 102 and SORP 2015 was therefore 1 September 2014. As a consequence of adopting FRS 102 and SORP 2015, a number of accounting policies have changed to comply with those standards.

Comparative figures have been restated to reflect the adjustments made.

The policies applied under the Academy's previous accounting framework are not materially different to FRS 102 and have not impacted on funds or net income/expenditure.
