Here are some other members of the Reception team who help with us with our learning.

Say hello to George, he's a very curious monkey. George poses us a curious question everyday that we solve during our learning time.

Meet Skip and Bounce our handwriting monkeys. Bounce the brave monkey shows us how to form tall letters (he's not scared to climb to the top of the tree). Skip the scared monkey likes to sit on a low branch, helping us to form the smaller letters

The Phonics Fairy visits us everyday with a new sound, sprinkling her magic to help us to learn them.
